

FHS Uniform Policy 2021 Year 7 and 8

NB: This policy applies to Year 7 and 8 students in 2021 enrolled at Barkly and Pilgrim Campuses. A separate policy exists for students of Footscray High School enrolled at the Kinnear campus.

The development of our uniform policy has been a consultative process involving students, parents, staff and the wider community. This policy has been written in accordance with Department of Education and Training (DET) guidelines. The acceptance, respect and equality of all students is an inherent feature of this policy. We embrace diversity and individuality through a range of choices offered.

The new Footscray High School uniform has been designed and ethically sourced to reflect the contemporary nature and values of our school. The uniform has been designed by students and offers a range of options to ensure comfort in all conditions, inclusivity, choice, durability and value for money.

The new uniform plays an important role in creating a sense of identity amongst students and the community.

Footscray High School is a full uniform school with all students expected to uphold the school value of *Unity* in their wearing of the correct school uniform at all times. All students attending Footscray High School are expected to wear the uniform as prescribed in this policy. All items, with the exception of shoes, must be purchased from Noone, the official uniform supplier for the school.

For 2021, matters relating to uniform purchase, financial hardship, cultural or religious needs, can be raised with the school leadership team at the campus level. Parents can do this by contacting the school and they will be directed to the correct support.

The following uniform has been decided upon and approved by the Footscray High School Interim Advisory Group. Responsibility for the uniform will go to the official School Council. It is expected that all students and families support and abide by this policy. The uniform supplier will have a copy of this policy and will support its correct implementation at the time of fitting and purchase.
