2024 Parent/Carer Payment Arrangement – Year 10

Dear Parent/Carer

Footscray High school is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2024. Like our 2023 policy, the 2024 policy maintains a high level of specificity in our contribution request schedules to ensure our community know how their financial contributions are directly benefiting students.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Footscray High School has great expectations for learning that maximises engagement, progress, and achievement for each student. Each year the school will work hard to ensure financial stability whilst keeping contributions to a minimum, making education affordable and accessible for all

The environment and resources that we enjoy today represent the co-contributions made by our parent/carers community and Government funding. Parent/Carers voluntary contributions make a significant difference to the quality of our programs.

The continued financial support from our community has been critical in being able to provide exceptional learning resources and creating a safe and inclusive environment to foster positive student outcomes. Resources that have benefited directly from these generous contributions in 2023 included:

- Shade sails at our Barkly and Pilgrim Campuses
- Staff Car Park perimeter fence installed on Farnsworth Ave
- IT equipment
- Vape Detectors
- A range of sports, technology, music & science equipment
- Education Perfect subscriptions
- Compass

Yours sincerely,

Frank Vetere
Executive Principal

Mimma De Luca
School Council President

- The Camps, Sports and Excursions Fund (CSEF) will provide payments for eligible students to attend camps, sports, and excursions. Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. Eligible secondary school students receive a payment of \$225 per year. These payments are made directly to the school and are attached to the student.

Refunds

Parent requests for refunds are subject to the discretion of the school and are made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information. If the school decides to provide a refund, then parents/carers need to agree and advise the school where the refund should be paid. If that agreement cannot be reached, the refund is usually paid into the account from which the money came. For further information on the Department's Parent Payments Policy please see a one-page overview attached or visit the website directly. Parent Payments: Policy | education.vic.gov.au
