2025 Parent/Carer Payment Arrangements – Year 10

Dear Parent/Carer,

Footscray High School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Footscray High School has great expectations for learning that maximises engagement, progress, and achievement for each student. Each year the school will work hard to ensure financial stability whilst keeping contributions to a minimum, making education affordable and accessible for all.

The environment and resources that we enjoy today represent the co-contributions made by our parent/carers community and Government funding. Parent/Carers voluntary contributions make a significant difference to the quality of our programs.

The continued financial support from our community has been critical in being able to provide exceptional learning resources and creating a safe and inclusive environment to foster positive student outcomes. Resources that have benefited directly from these generous contributions in 2024 included:

- High-level IT equipment across all campuses
- Year 9 program (Community Enquiry, Eat Well and Bike Hub)
- A range of sports, technology, music & science equipment
- Online subscriptions such as Education Perfect, Edrolo, Maths Pathway, etc.
- Year 7-8 water safety program
- Compass portal

These arrangements have been approved by the School Council and comply with Department of Education guidelines.

Yours sincerely,

Jillian English

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. Students 16 years and over are also eligible to apply for themselves if they hold a valid health care card. Eligible secondary school students receive a payment of \$225 per year. These payments are made directly to the school and are attached to the student.

Parent requests for refunds are subject to the discretion of the school and are made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information. If the school decides to provide a refund, then parents/carers need to agree and advise the school where the refund should be paid. If that agreement cannot be reached, the refund is usually paid into the account from which the money came.
